Please tell us about your course experience. The term ‘course’ in the questions below refers to the major field(s) of education or program(s) of study that made up your qualification(s).

If you have completed a qualification with a single major field of education (for example, medicine, architecture, pharmacy, law or physiotherapy), write this major field of education in the box under the heading MAJOR FIELD ONE and only use the left series of response boxes. Check that you have written this major field of education on the front of this survey form.

If you completed a qualification with more than one major field of education (for example, accounting and mathematics, or psychology and sociology), or a combined/double qualification (for example, arts/science or commerce/law), write one major field of education in the box under the heading MAJOR FIELD ONE, a second major field of education in the box under the heading MAJOR FIELD TWO, and use both series of response boxes. Check that you have written both of these major fields of education on the front of this survey form.
